MLRA Region 11
Indianapolis, Indiana 46278

th Amendment to:

Classification and Correlation
of the Soils of Wayne
County, Indiana
February 14, 1984

Change the Fourth Amendment dated March 26, 1996 water
symbols Wa Water, noncensus and We Water, census back to
er. It is no longer necessary to separate the two during
map finishing process.

delete the following Conventional and Special Symbols from
SCS-Soils-37A on page 9:

sh-MAR, Escarpments both Bedrock-ESB and Other than
rock-ESQ.

revised; September 26, 1997

Travis Neely
