

Region 11 Technical Note - Use of MLRA Correlation Worksheet

Date: January 2009

Subject: MLRA Correlation Worksheet

Purpose: Provide a standard worksheet to document correlation decisions in Region 11.

Procedure: Complete the following correlation worksheet and submit to the MLRA Office (MO 11) prior to quality assurance reviews. Also, store the completed correlation worksheet in NASIS as a text note in the Mapunit History Table.

(Complete worksheet prior to quality assurance reviews.)
