

**Floyd County Local EQIP Ranking  
FY-2004**

Name

Tract

Total Point Score

- 0 1) Does this application involve any of these landuses:  
 Pastureland or land receiving  Cropland with no  Woodland\*   
 manure application **40 points** manure application **20points** **10points**
- 0 2) Are nutrients (animal waste &/or commercial fertilizer) being applied on this tract according to current soil test recommendations?  
 Yes  No  (Yes = 20 points, No = 40 points)
- 0 3) The area of treatment distance to water\*:  
 0 to 250 ft.  251 to 500 ft  501+ ft.   
**50 points** **25 points** **0 points**
- 0 4) Will livestock be removed from water\*.  
 Yes  No  ( Yes = 50 points, No = 0 points)
- 0 5) Is the tract located in a Karst area? (Reference state Karst map)  
 Yes  No  (Yes = 30 points, No = 15 points)
- 0 6) Will gully erosion on cropland, grassland, or woodland\* be addressed?  
 Yes  No  (Yes = 30 points, No = 0 points)
- 0 7) If cropland, is the field designated Highly Erodible Land (HEL) for Food Security Act purposes:  
 Yes  No  (Yes = 30 points, No = 10 points)
- 0 8) If HEL, and tillage is being used in the cropping system, are you willing to farm to meet the tolerable soil loss?  
 Yes  No  (Yes = 50 points, No = 0 points)
- 0 9) The predominant slope of all fields where erosion will be addressed (identified from the soil survey):  
 A (0-2%)  B (2-6%)  C(6-12%)  D(12-18%)   
**10 points** **20 points** **30 points** **40 points**
- 0 10) Are pastures overgrazed resulting in poor plant health and/or soil erosion?  
 Yes  No  (Yes = 20 points, No = 10 points)
- 0 11) Are there concentrated areas of livestock waste (barn lots, feeding/watering areas)? Y  
 Yes  No  ( Yes = 30 points, No = 15 points)
- 0 12) Are there threatened and/or endangered plant or animal species within 1/2 mile where land treatment will enhance the species? (Reference FOTG Section II, T & E Species Maps)  
 Yes  No  (Yes = 30 points, No = 0 points)
- 0 13) Will livestock be removed from woodland\*?  
 Yes  No  (Yes = 20 points, No = 0 points)
- 0 14) Do your management objectives include connecting two or more existing woodlands, expanding an existing woodland, or creating a new woodland?  
 Yes  No  (Yes = 20 points, No = 0 points)
- 0 15) Will excessive streambank erosion (greater than 50') be addressed?  
 Yes  No  (Yes = 20 points, No = 0 points)
